

# UPS Tariff Zone Chart

## International Destinations

### For customers located in Croatia

Effective from 25-Dec-2022

Use these tables to ensure that your preferred UPS service option is available, and to identify the zone number for your shipment. Zones are used to calculate the cost of your shipment.

**+** Extended and remote area surcharge may apply for certain areas

To determine if a service option is available from your chosen origin postal code to your destination, call your local UPS office.
